### **Wedding September 2008**

Dear Ash and the CoolBeans,

Thank you all VERY much for being such a fantastic band at our wedding on 13th September. Over the last few years, Phil and I have been guests at many other people's weddings and have come across a fair few bands but you guys were by far the best band we've heard at one and so we were thrilled that it was at our very own wedding that you were playing! Your set was perfect and kept the dance floor busy all night (with the young and the old alike!) and you really made the atmosphere fun and lively. Many people came up to me and told me how great they thought your music and voices were. We really enjoyed ourselves and what was especially nice was that you all looked like you were having a good time too (we hope so at least!) We will definitely recommend you to our friends.

Please pass on our appreciation and gratitude to all your bandmates for helping make our day so memorable.

Best wishes

Kate and Phil McCann

### **Charity Bash September 2008**

Just like to say what a brilliant show you put on for us on Friday night. We were most impressed with the quality of your performance and the vast range of songs you performed. The sound and lighting rigs were of the best around and did justice to the performers. With your help we have raised in excess of £1500 for charity and had a great evening in the process.

We will not hesitate to recommend the Coolbeans for any party, wedding, charity bash or just an excuse to have a great night. Forget X factor this is the real thing.

## **Wedding August 2008**

Hi Ash and everyone,

Just a very quick note to thank you all for playing at our wedding on 16th August. Everyone commented how good you were and where we found you. We were dancing like mentalists all night! We honestly couldnt have found a better band for the day, you really sounded ridiculously good and were really friendly and helpful especially with the mic for speeches etc.

Thanks again!

## **From a party July 08**

Everything went smoothly from the booking, to the event itself and I was really happy with the service you personally provided.

In terms of the band themselves I can not speak highly enough of their ability and talent. The chemistry between the band members was terrific, the instruments and singing top notch, the lights they provided impressed the young boys to bits and the sound was crystal clear, in fact better than many top end artists I have paid to see. Also Ash, the band leader was a pleasure to deal with from start to finish in terms of organising the set-lists and payment etc. Every day since the event friends have commented on how good they were. I really enjoy my music and I was so impressed I find it hard to say how good they were.

I would not hesitate for a moment to recommended the Cool Beans to anyone looking for a really good entertaining covers band. In fact I'm already hoping they are still around in their current guise when I return from Dubai in two years for the welcome home party!

Thanks again  
Simon

## **From a party July 08**

Just wanted to say what a fabulous night everyone had on 12th July. The band were great and created a wonderful atmosphere. We had really good feedback and even heard people say the next time they had a special event they would book you! Thanks to you and all the band and maybe we

will see you back here at our next Party in a couple of years time. I wish you all continued success.

Kind regards  
Sandra Preston

p.s. My only criticism is that you need better photos on your web site - you look much better in the flesh!!

### **From a wedding June 08**

Dear Ash + the other Coolbeans

I'm sorry it has taken me so long to write this email, Paul and I just wanted to say thank you for being so fantastic on the 7th June at Chartridge. We had such a fantastic day, you sounded fantastic and everyone loved the music. You managed to keep the dance floor full all night and all our guests said how great you were.

We will try to come to your gig on the 24th October in Berkhamsted as probably back in Bucks that weekend, it will be great to hear you play again!

Thanks again  
Jo and Paul

### **From a wedding May 08**

Dear Ash,

I just wanted to email to thank you for your fabulous performance at our wedding at The Dairy on the 10th May.

You were a huge hit with our guests and everyone raved about how good and how much fun you were -especially joining in the limbo!

Sorry its taken me so long to email and thank you -its been pretty hectic since getting back from our honeymoon!

Thanks again,  
Jane and Ed

### **From a wedding March 08**

Well - where can we start? CoolBeans were the icing on the cake! After a wonderful day, they ensured that the party continued well on into the night - and still our guests couldn't get enough...they wanted more!

Not only are they superb musicians, they maintained their high energy performance throughout all three sets and far exceeded our expectations. Their interaction with our guests was fantastic - everyone said how good they were.

From grabbing our air guitars and rocking with the bass player on the dance floor, to 'bang bang bang'ing on the door of the love shack with the lead vocalists - we couldn't imagine there was any more to come - until...the giant conga line of every guest around the manor house - people simply couldn't keep themselves off the dance floor - I was up from the first to the last - the ultimate bopping bride!

So yes - you could say we were pleased. We would say we were elated - they are definitely our band of choice and we would book them again in the future. We've already recommended them to other people.

We cannot say enough thank you's to them all.

Kind regards

Becky and Paul

#### **Wedding 12th October 07**

Hi Gemma.

I need to do pass on this review for the Coolbeans booked through you, who played at our wedding party on 12/10/07. What can we say? Music is important to my family and how our parties swing, and the Coolbeans were fantastic! From their friendly, cool and reassuring approach through to the high class performance of a varied set and a thundering finale! They really pulled out all the stops and kept everyone dancing and singing all night. Everyone remarked on how great they were and asked where we had found them. We would have no hesitation in recommending alive network and the Coolbeans to anyone! Thanks to you all.

## **Barthday Party 22nd September 2007**

Hi Ash

I just wanted to say 'thank you' for such a fabulous and professional performance for my party. I have had so many people complimenting me on the choice of band that I felt I should pass that on to you all – it really made the evening and even got my father up on the dance floor and that says something! - I will certainly recommend you.

Regards

Laura

## **Wedding September 2007**

It was great to book the CoolBeans, you made the process easy and we will definitely recommend you to others.

The CoolBeans were fantastic! from initial communications through to their brilliant performance. They were happy to learn our first dance at short notice and performed it brilliantly on the night, even though it was an unusual song. They played a great selection of songs that kept the dance floor full throughout the evening. Lots of guests enthused to us about the band.

A big thanks to the CoolBeans.

Yvonne & Mark

## **Wedding Braxted Park 3rd August 2007**

Dear Ash

Please can you pass on our sincere thanks to all of you that made our wedding day so special. We could not believe how great the coolbeans sound and the way your wireless technology allowed you to join us on the dance floor and through to the walled garden at braxted park. Our nephew can't stop thinking of the coolbeans joining him on the floor while he had his air guitar playing.....!!!!!!! We have had so many people wanting to know where we found you so we will make sure we push people your way. We can't say thank you enough for singing our favourite song chasing cars by snow patrol, following 10 weeks of stressful dance lessons, we pulled it off thanks to the coolbeans.

We will definitely make sure we see you at one of your gigs and again enjoy a fantastic band.

Once again you made our wedding day so special we can't say thank you enough.

Best Wishes  
Paul & Liz Austin

**From a 50th Birthday Party May 07**

We just wanted to send you a note to say how much we enjoyed our party. The Band were absolutely fantastic and helped make our event a great success. Many many thanks. We will certainly recommend The CoolBeans to all our friends and would like to take this opportunity to wish you all success for the future. You guys are certainly the 'BEST' live band that we have ever come across.

kind regards  
Gillian

**Ball May 07**

Dear Ash,

Re: St Alban & St, Stephen Primary School Dinner Dance on Saturday  
12th May 2007

Thank you for a great evening on Saturday night at our 'School May Ball at the Thistle Hotel, St. Albans. 'The CoolBeans' band were fantastic and made the evening for us,

All the members of the band looked very 'cool' (like your namesake!) and trendy in your black shirts, trousers and white ties,

The music that you played was excellent, dynamic and varied, The singing was sensational, particularly the 'Scissor Sisters' song.

Subsequently, the atmosphere was terrific. It is wonderful to See so many people on the dance floor.

That for me means that everybody is enjoying the music enormously. At, one point there were some drunken gatecrashers, some young lads with bottles of beers in their hands on the dance floor as they obviously thought that the music was good, too! They were removed pretty promptly by the hotel staff, Everyone, including myself will have very happy and fun memories of the night.

Angela, my colleague and I have had numerous positive comments made about the event. A lot of guests said what a brilliant band we had picked and wanting to know more. So, hopefully you may have some future forthcoming fixtures to play at, from some of the parents that came.

Mrs J Thomas

## **60<sup>th</sup> Birthday Party October 06**

Ash,

Just to say thanks one more time for the great job that Cool Beans did on October 1st. Everyone was extremely complimentary about you all. The music and the performances were wonderful.

Thanks also for compiling the CD - a lovely touch.

Good luck in the future.

### **Dear Ash and the Band,**

Just wanted to say thanks so much for a great wedding night, the music was totally fantastic. We loved every minute, and I think I was on the dance floor most of the time! All of our guests have commented " what a fantastic band, where did you find them?!"

They loved the fact you were out and about on the dance floor and they got to use the mic!. Also we loved the bubbles on the first dance, a total surprise.

So a big thank you to you all, and we will certainly be passing your details on.

love Paula & Mike

### **Re: our wedding on 28th May at Compleat Angler, Marlow.**

We just wanted to say a massive 'Thank you' to you and your band for being so brilliant and making the evening so much fun at our wedding! You were just fantastic and everyone we have spoken to commented on how good you were saying you were the best band they had ever seen and wanted to know where we got you from! You really got everyone dancing and we loved every minute! We are just trying to think of the next celebration so we can hire you again now!!

Really hoping to get to see you on one of the nights you do in Amersham some time soon.

Thanks again for helping to make our big day so special!

### **Letter from a Bride. Wedding in Kent**

Dear Ash

I wanted to write to say thank you so much for the Cool Beans performance at our wedding, it was really, really excellent!

The performance was really great and so many people have said you were really brilliant, including the wedding coordinator at the venue who said that if people are looking for a band she'd really recommend you.

All the equipment and lighting was great and you managed to set it up without disrupting any of the rest of our day - even when the first dance was delayed you were still happy to go with our circumstances.

We couldn't have hoped for a better rendition of our first dance. My husband and I thought it was even better than the original and we appreciate that you were able to learn this and another song especially for us - it made it very special on our wedding day. Every song that you did was performed well and very enthusiastically and we really appreciated all the effort everyone in the band put in on the day.

I wouldn't hesitate in recommending you for another wedding. Thanks again,

Emily

### **From the Bride. Wedding in Norfolk**

Dear All

I just wanted to say THANK YOU so much for your FANTSTIC performance at our wedding on the 3rd September in Norfolk. The music was a huge issue for us both as Will, my husband (gulp!) has actually

been known to become physically sick when faced with "Dave's Mobile Disco" at weddings in the past!!!!!!

Due to the large quantities of beer consumed (by us not you!) it was decided best that none of our rabble did a stint, (besides, following one of your sets would have been hard and pity applause can seep through even the snuggest beer blanket), but I was so grateful that you had been so nice and had they wanted to, they could have played (talent withstanding!) Basically, you made our evening and EVERYONE has since commented on what a great band we had, even Pauline who owned the house (she must have been lurking in the shrubbery!). If anyone wants feedback on you before booking just give them my email.

Thanks again

Becky and Will

### **From the groom at a wedding in Northampton**

We're back from honeymoon now so back to the grind stone unfortunately. Just wanted to say a quick thankyou again to you and your band, you were all

absolutely fantastic !!!!

I've had no hesitation what so ever in recommending yourselves to friends, and those who joined us for the evening were extremely impressed with you all.

Can't thank you guys enough - amazing performance.

...got to go, wife's calling .....

From the bride at a wedding in East Sussex:

Dear all in the band,

just wanted to say a huge thanks for playing last night. You were absolutely amazing. Everyone was enthusing about you this morning and asking me where I found you.

You really got people dancing, despite the heat and you quite possibly saved me a nightmare of a hangover, as every time I got a drink you played another great song and i just had to dance. I could never remember which drink was mine after I'd put it down!!

The whole day was fantastic and you played a major role in making it that way.

Thanks loads.

Jo

**From a guest at a wedding in Northampton:**

I would like to take this chance to thank both singers for the notice that they took

of our 6year old, Samuel, at the wedding this weekend in Nothampton.

It really made his night and has not stopped talking about it on the long drive home up theM1 to Stockport.

Both sets you did were excellent.

The variety of songs were spot on!

Thanks again

Dennis and Tracey Griffin.

P.S Samuel says Hi.

**From Neil Edwards Booker: Open University Earth Science May Ball.  
Woburn Abbey:**

Really excellent, and nothing but good comments from all that I've spoken to.

Great music and you certainly put on a truly excellent show, full of energy and enthusiasm.

Many thanks.□
